

Love is Patient and Kind

Lesson Idea for Ages 7+

By using the "Love Is Patient and Kind" bulletin, you can create a fun activity for your class to reinforce the attributes of love.

What you will need:

- Enough copies of *Children's Worship Bulletins* for the class.
- Pencils for everyone.
- A bag of prizes/candy.

What you do:

1. Give everyone a bulletin and a pencil.
2. Explain the instructions to the class.
3. Give the class 10 minutes to complete the assignment before grading it.
4. Everyone who completes it correctly gets a prize.
5. Talk a little about the good things that love brings out in us.
6. Now ask your class to go around and sign their names on every bulletin. They should sign on the award graphic that they want to work on improving the most. For example, if a child most wants to learn to be sincere, he/she should sign on the pink ribbon on each paper in the classroom.
7. Pray with the class for each person to be able to grow in the area that they requested. Ask the class to take this home and pray at home tonight for their friends to grow in agape love in these areas.
